

DR. IMAD-AD-DEAN AHMAD, PH.D.

Dr. Imad-ad-Dean Ahmad is President, director of The Minaret of Freedom Institute, an Islamic libertarian organization dedicated to the education of both Muslims and non-Muslims regarding distortions and misconceptions about Islamic beliefs and practices and their relevance to the West. He is an internationally known interdisciplinary scientist of Palestinian descent, born at sea and raised in the United States. A graduate of Harvard University with a cum-laude, he is also the author of *Signs in the Heavens: A Muslim Astronomer's Perspective on Religion and Science*. He teaches courses on Islamic religion, history and civilization and religion, science and freedom at Wesley Theological Seminary and a course on "Changing Views of the Universe" at American University.

Dr. Ahmad has received the "Star Cup for Outstanding Public Service" award from the Montgomery County Civic Federation, the "Champion of Democracy Award" from Marylanders for Democracy, the "Samuel P. Chase Freedom Award" from the Libertarian Party of Maryland, and the "Sentinel Award" from the Montgomery County Civic Federation.
