

Camille Malik

Camille Malik, Trinidad born and New York raised, earned an associate degree in Secretarial Science and Business from the Katherine Gibbs Business School. With thirty years of work experience behind her Camille is currently the Executive Assistant to the CEO/President of Sabree, Inc., a full service provider and defense contractor with multifaceted capabilities.

Sabree provides services in Construction Management, Design/Building Construction Operations & Maintenance, Renovation Specialties, Facilities Management, Engineering Operations, Environmental Services, Historical Preservation, Security, and Landscaping, and has expertise in working with local and federal government agencies and the military. She has received a Certificate of Achievement from the head of Sabree, Inc. for performance of excellence.

Camille had initially started out in the legal field as a Legal Secretary, and then took courses to obtain her Legal Assistant certificate. Later, she moved on to work with autistic children and families for six years while obtaining a certificate in Autistic Development. Her broad experience also included a year as Event Coordinator with the Turkish Diyanet Center. She recently took part in the first workshop from the One Light Institute, earning a certificate in Conflict Resolution. Camille is married and has three wonderful, educated children.
